Agriturismo Vallebona and its horses

The house originated from a watch tower which belonged to the Guidi Counts in the 11th Century and is situated only 20 km from Florence, near the town of Pontassieve. For over 20 years it has been run by expert horseman Franco Melis and is well known both in Italy and abroad for the quality of its horses and the experience of its guides. Vallebona has 35 horses of different breeds (Maremma, Quarter horse, Sardinian anglo-arab), all of which have been trained or re-trained following the principles of "natural horsemanship" to guarantee maximum physical and psychological condition and reliability.

Yoga

In the mornings and/or evenings (depending on our horse-riding schedule) we practice Yoga for about 90 min. - remaining mindful, loving and focused throughout. In the mornings we start with vitalizing breathing techniques (Pranayama) and invigorating body postures (Asanas). After horse-riding we unwind with gentle stretching postures, conscious breathing and deep relaxation. The complementary singing with harmonium accompaniment helps facilitate a deeper involvement and feeling of the asanas. Also suitable for beginners.

Horse-Riding

It is possible to ride both in the morning and afternoon, choosing between lessons and one to two hour rides out in the countryside. Lessons and rides are arranged according to the experience and preparation of the riders so that everybody can get the most out of the experience. (Detailed programs will be agreed before or onsite. Also suitable for beginners.) Our program will include one whole day on the horse - without Yoga and and one day with Yoga in the morning and evening - without horse-riding.

Accommodation and Board

We'll stay at the beautiful Agriturismo Vallebona, in a very friendly and relaxed atmosphere. Accommodation is available in double or triple rooms. The rooms are light, spacious and airy, typical of old Tuscan farmhouses. Bathrooms are located on each floor, each one shared by two rooms.

We'll be pampered with tasty healthy vegetarian food - each meal balancing the different typical recipes and the seasonal genuine ingredients.
